

PUMPKIN MAZE 1A: TARGET 10

- Start the maze with zero.
- Add on the number on each pumpkin as you go.
- You have to get to the finish with a total of 10.
- You must follow one of the arrows each time.

Write down the numbers in the route here:

$$\underline{\quad} + \underline{\quad} + \underline{\quad} = 10$$

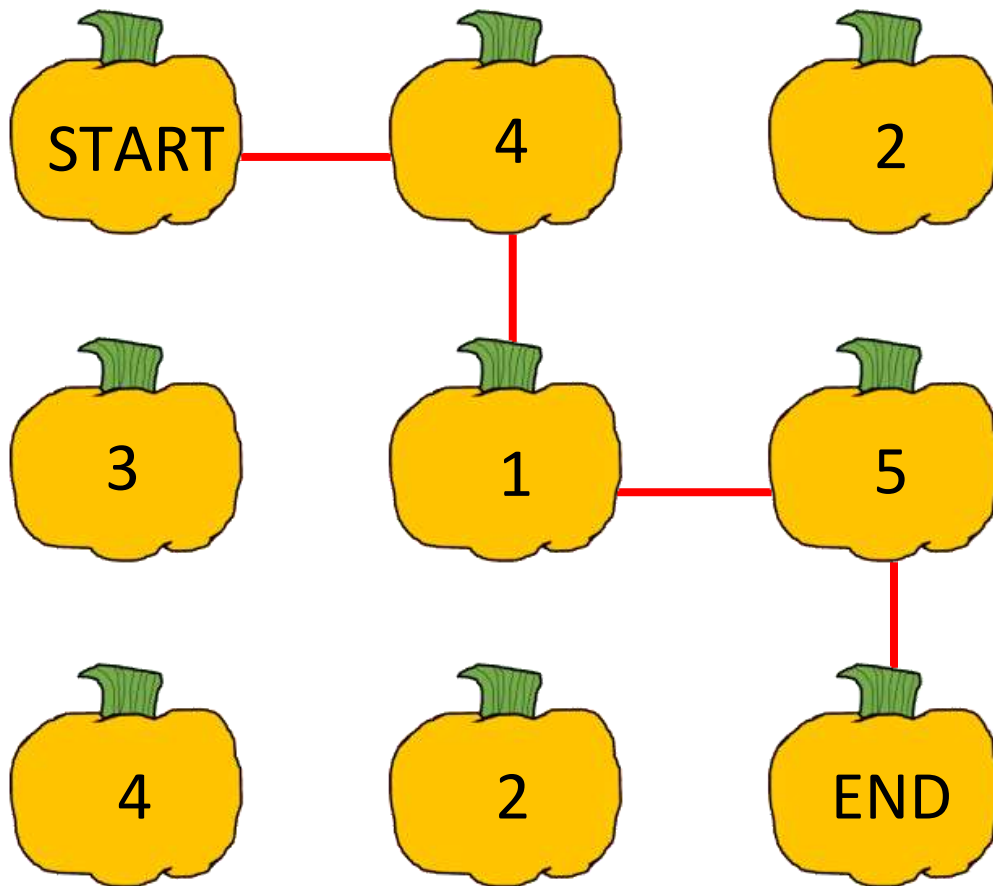

Extra Challenge

Find the route with the **highest** total. $\underline{\quad} + \underline{\quad} + \underline{\quad} = \underline{\quad}$

PUMPKIN MAZE 1A: TARGET 10 ANSWERS

- Start the maze with zero.
- Add on the number on each pumpkin as you go.
- You have to get to the finish with a total of 10.
- You must follow one of the arrows each time.

Write down the numbers in the route here:

$$\underline{4} + \underline{1} + \underline{5} = 10$$

Extra Challenge

Find the route with the highest total. $\underline{4} + \underline{2} + \underline{5} = \underline{11}$
